

## Amplify the Resolution

It's important to show broad public support for fair school funding within your community. Passing a resolution is a symbolic action intended to pressure the Ohio General Assembly. We recommend the following steps to build a local action in support of Fair School Funding.

1. **Pack the Board Meeting** - Invite parents, students and community members to share testimony on why fair school funding matters to them when a resolution will be introduced or passed. Work with your administrators to notify parents, contact PTA/PTO groups and other active parent and educator groups.
2. **Create Visuals that Communicate the Message** - Wear school pride shirts, bring signs and take lots of pictures. Ohio legislators need to see broad based community support for the Fair School Funding Plan.
3. **Notify the Press** - Invite your local TV and print news outlets, please reach out to the AOK team for support, or you can use a sample press release here.
4. **Share on Social Media** - utilize sample social media posts below with your photos and [tag your State Senator](#), Governor Dewine, and other local school district stakeholders. Use the hashtag **#FullyFundOhioKids** so we can lift up your work on AOK social media accounts.

## Sample Social Media Posts

### Captions for X (Formerly Twitter), Threads, and BlueSky

**Post 1:** Our school board is fighting for fair funding! Share your story about why fair school funding is critical for your family! #FullyFundOhioKids
