#### **Fiscal Fitness Award**

The OEA Fiscal Fitness Award Program is designed to increase the Association's financial performance at both the state and local levels. The award consists of ten criteria of best financial practices. This booklet includes the form that must be completed for Criterion 1 and Criterion 2 along with examples of all ten criteria that must be submitted.

Along with the promotion of best financial practices for their own sake, the OEA intends to provide financial incentives for locals that establish and maintain these practices. Additionally, clear communication of these practices provides guidelines for all locals to follow. The establishment of best practices and criteria by which to measure them makes this program an example of OEA's commitment to continuous improvement.

As an incentive to promote best financial practices, \$500 will be awarded to individual local treasurers who apply for the Fiscal Fitness Award and their local meets all the criteria! This is in addition to the existing 1st time award of a check for \$2,000 to the local for their accomplishment. Locals meeting all criteria on a continuing annual basis will receive \$500 for as long as they meet the criteria. The \$2,000 award can be earned only once every five years. (Note: Award amounts are subject to the annual OEA approved budget) The Fiscal Fitness Awards will be given at the May Representative Assembly, where locals will be recognized for their financial performance in the preceding Fiscal Year.

Locals have the opportunity to meet the criteria for the award during the fiscal year and the submission of applications for the award are due no later than January 31 of the year immediately following their fiscal year. This timeline has been adopted so that there is the greatest opportunity for all locals to be involved.

Completed applications and accompanying award criteria should be submitted to:

Ohio Education Association Office of the Secretary-Treasurer Fiscal Fitness Award P.O. Box 2550 Columbus, OH 43216

Additional information or guidance can be provided by the office of the OEA Secretary-Treasurer.

    - The local must not have incurred an interest penalty on outstanding billing statements due from the local association to OEA during the fiscal year.

## Completion of the "Fiscal Fitness Award Criteria – Membership" form required.

- 2) Financial criteria:
  - A. Deposits are made within one week of receipt.
  - B. All invoice and financial obligations are paid timely. (2 weeks suggested)
  - C. No acts of fraud or dishonesty by the treasurer or any other officer.
  - D. Compensation paid to officers or staff has been disclosed

## Completion of the "Fiscal Fitness Award Criteria – Financial" form required.

3) The treasurer **must** attend an OEA-sanctioned Treasurer's Workshop on an annual basis during his/her term in office. Treasurers with more than 2 years of experience have the option of sending another local officer or executive board member to a Treasurer's Workshop once every 3 years. If attended by a person other than the treasurer, please provide their OEA Treasurer's Workshop certificate as well as the treasurer's prior two years certificates. For fiscal fitness purposes, a Treasurer's Workshop must be attended prior to the start of the fiscal year. For example, a certificate showing attendance in 2024 would be needed for the 24-25 fiscal year fiscal fitness award submitted by January 2026.

Submission of the OEA issued certificate. (Please contact the OEA Secretary-Treasurer's office to obtain if necessary)

4-3 Rev 5/2025

4) Present annual budgets. It is important not only to create annual budgets but also to involve the local in the development of the budgets so leaders understand the basis for the budgets. It is also important that local budgets are presented in a question and answer based forum which is open to any interested parties. The motion to approve or accept the annual budget is to be clearly stated in the minutes with passage of the motion highlighted.

Submission of budgets (fiscal year of award and current fiscal year) and meeting minutes confirming budget approval for both budgets is required. Motion to approve and confirmation of acceptance of annual budget must be highlighted in the minutes.

5) Present monthly and annual financial reports to the governing body of the local association. Criterion #5 must begin with a statement of the period of the local's fiscal year and list each month that the governing body of the local meets. The monthly financials need to include Revenue, Expenses and Fund Balances as well as including a comparison of actual financial results for the period to the budget for the period. Submission of all monthly financials must be in chronological order by month with the corresponding minutes immediately following which documents the approval, acceptance, or filed for audit status of the financials at the local association meetings. The motion to approve or accept the monthly financial reports must be highlighted in the minutes. The minutes should include any discussion of variances from the budget and the reasons for the budget being favorable or unfavorable. The minutes should also include any discussions on projected year-end variances and any issues or areas of financial concern. (Financials for Fiscal Year required)

Submission of all monthly financials including all monthly minutes documenting approval at local association meetings required. The monthly financials with approval for each month must be presented in chronological order. Motion to approve or accept the monthly financial reports must be highlighted in the minutes. Please reference the month of financials approved in the meeting minutes.

6) Participate in an annual audit. It is preferable that locals establish an audit subcommittee that is comprised of **two or more individuals when possible**. Members of the Audit Committee should be rank and file members who do not have bank signatory abilities. The local is required to submit a list of subcommittee members and their roles. Suggestions for an auditor include a business community CPA, retired CPA, or an accountant who volunteers. An audit can be performed by any independent person(s). An example would be two math teachers. **Please see Chapter 2 of the OEA Treasurer's Handbook for tips on how to conduct a Do-It-Yourself audit.** (Fiscal Year audit required)

Submission of audit documentation is required. The documentation must indicate a favorable opinion by the auditor.

**4-4** Rev 5/2025

7) Maintain an itemized record of all receipts and expenditures. The itemized list could be a check register, a computer worksheet or computer program, such as Quicken, Quickbooks, or a manual Excel ledger. (Fiscal Year required)

Submission of itemized record of receipts and expenditures required. This must be organized and presented in a chronological, user-friendly manner. Please do not submit receipts and/or invoices.

8) Submit proof of proper payroll tax withholdings for paid officers and staff working on behalf of association. This is required regardless of what the compensation is called e.g. salary, stipends, honorariums, paid dues, grants, etc. It is recommended to establish an accountable expense plan to reimburse officers for legitimate business expenses such as cellphone reimbursement instead of paying officers directly or through paying their dues which are taxable. Please see Accountable Plan Practical Advice in Chapter 2 of the OEA Treasurer's Handbook for information related to this requirement.

Submission of Criteria 8 form indicating the method of Officer Compensation required. This document indicates the appropriate back-up necessary for submission.

9) Maintain IRS tax exempt status and supporting documentation.

Submission of tax-exempt determination letter from the IRS, or other proof from the IRS preferred. If determination letter is unavailable, a 990 submission confirmation is sufficient to confirm tax exempt status.

10) Use of dual signatories on all local association checks.

Submission of a copy of a cancelled check indicating dual signatures used dated within the Fiscal Fitness Award filing year.

Note: The award criteria documentation must be submitted in an organized manner with each criterion clearly separated and identifiable using a tab system and notebook(s). Criteria documentation will not be returned to the local.
